The Lakewood Customshop

Recommended retail prices in Euro (€) incl. 20% IVA - valid from January 1st, 2010

The Lakewood customshop is for creating your own very personal guitar that can be adapted according to your wishes. On the following two pages you will find, sorted by categories, a list of all available options and their prices.

Important: There is a basic model that is the foundation in terms of specifications and price of your custom-shop guitar. It corresponds to the models M-14, D-14, A-14 and J-14. You can now individually design that basic model by choosing particular options. The prices will be added to the basic price accordingly.
